

The screenshot displays the 'Bestemmingsplannen' web application. The main map area shows a detailed view of a residential area in Breda, with various land use zones color-coded according to the legend. The legend includes categories such as 'kultuur', 'maatschappelijk', 'natuur', 'overig', 'recreatie', 'sport', 'tuin', 'verkeer', 'water', 'woon', 'woongebied', 'Dubbelbestemmingen', 'waterstaat', 'aanlegroute', and 'aanvaarding van de bestemming'. The sidebar on the right provides information about the 'Tuinzicht-Westerpark' plan, including its status, identification number, type, name, and location. It also lists related plans and documents, such as 'Parapluplan parkeren 2017' and 'dossier NL.IMRO.0758.BP2009014001'.
